Home & Garden

Recycle & Score Return your Terra Viva rose pot and receive a \$1 next-purchase credit!

We're mindful of the impact that the horticulture industry has on the earth, and we're committed to reducing that impact through our initiatives. This is why we're offering a \$1 credit on your next purchase for every Terra Viva rose pot returned. The credit is a green way to support our planet, and it's a bonus for you, too. We're committed to reducing our carbon footprint, using less plastic in our packaging, and we know that we're doing our part to help the planet that sustains us.
